

Gripe Water

Dosage Form

Oral Liquid

Route of Administration

Oral

Composition

Each 5 ml contains:

- [Ingredient 1] [Strength]
- [Ingredient 2] [Strength]
- Flavoured Syrupy Base q.s.

Indications

Traditionally used to help relieve digestive discomfort, including gas, trapped wind, and abdominal discomfort. Use only according to the approved product label and healthcare professional's advice.

Storage

Store in a cool, dry place, away from direct sunlight. Keep the bottle tightly closed and out of reach of children. Follow the storage instructions printed on the product label.

Precautions

Each 5 ml contains:

- Use only as directed on the product label.
- Check the ingredients for any known allergies or sensitivities.
- Consult a healthcare professional before administering to infants, particularly newborns.
- Do not exceed the recommended dose.
- Seek medical advice if symptoms persist or worsen.

Presentation

100ml bottle
