

Cylip-P Syrup 200ml

Cylip-P syrup combines cyproheptadine and tricholine citrate to stimulate appetite and support liver function, addressing nutritional deficiencies and liver-related issues.

Dosage Form

Syrup

Route of Administration

Oral

Composition

Each 5 ml contains:

- Cyproheptadine Hydrochloride (Anhydrous) I.P. 2 mg
- Tricholine Citrate 0.275 mg
- Flavoured Nonsyrupy Base q.s.

Indications

Indicated for loss of appetite, weight loss, and anorexia nervosa. Also prescribed for underweight children with inadequate dietary intake, loss of appetite, anaemia, or liver/digestive disorders, and as an adjunct to anti-tubercular and antiretroviral treatment for weight gain.

Storage

Store in a cool and dry place away from sunlight.

Precautions

May cause drowsiness, dizziness, or confusion. Use with caution when driving or operating machinery. Avoid concomitant use with alcohol or other CNS depressants unless advised by a physician.

Presentation

200 ml bottle.
