

D.P.C. Tablets

D.P.C. Tablets combine Diclofenac Potassium, Paracetamol, Cetirizine, and Magnesium Trisilicate for symptomatic relief of headache, body ache, sore throat, and nasal congestion from cold and flu.

Dosage Form

Tablet

Route of Administration

Oral

Composition

- Diclofenac Potassium B.P. 50 mg
- Paracetamol I.P. 325 mg
- Cetirizine Hydrochloride I.P. 5 mg
- Magnesium Trisilicate I.P. 100 mg

Indications

Symptomatic relief from headache, body ache, sore throat, and nasal congestion associated with the common cold and flu.

Storage

Store in a cool & dry place. Protect from light. Keep out of the reach of children.

Precautions

Use with caution in patients with a history of liver disease, kidney impairment, peptic ulcer disease, or gastrointestinal bleeding. Avoid exceeding the recommended dose, as paracetamol overdose may cause serious liver or kidney damage. Consult a healthcare professional before use during pregnancy or breastfeeding. Do not take with other paracetamol-containing products.

Presentation

20x10 tablets
