- Methylparaben I.P. 0.15% w/w
- Propylparaben I.P. 0.05% w/w

Cream Base q.s.

Indications

Used for fungal infections with inflammation, including ringworm and yeast infections, as well as inflammatory skin conditions such as eczema, psoriasis, and seborrheic dermatitis where fungal infection and inflammation occur together.

Storage

Store at a temperature not exceeding 25°C. Do not freeze.

Precautions

Avoid contact with the eyes, nose, mouth, broken skin, open wounds, or cuts. For external use only. Pregnant or breastfeeding women should consult a healthcare professional before use. Use only for the prescribed duration to avoid unwanted effects associated with prolonged corticosteroid use.

Presentation

15 gm tube
