

Ketomac Dusting Powder

Ketomac Dusting Powder contains 2% ketoconazole, a broad-spectrum antifungal that effectively treats and prevents fungal skin infections. It helps relieve itching, redness, and irritation while keeping the affected area dry, fresh, and comfortable.

Dosage Form

Dusting Powder

Route of Administration

Topical

Composition

- Ketoconazole I.P. 2% w/w
- Talc I.P. base q.s.

Indications

Useful in fungal skin infections such as jock itch, athlete's foot, diaper rash, and fungal infections associated with excessive sweating.

Storage

Store in a cool and dry place. Protect from light. Keep the container tightly closed after use.

Precautions

Use as directed by the physician. Contraindicated in patients with known hypersensitivity to ketoconazole or any of the ingredients. For external use only. Avoid contact with eyes, nose, and mouth. Discontinue use if irritation or allergic reactions occur.

Presentation

100 gm container
