

Cold Go Plus Tablets (BLISTER)

Cold Go Plus tablet is a non-sedative cough and cold formula that contains paracetamol, phenylephrine, diphenhydramine, and caffeine for comprehensive relief from symptoms.

Dosage Form

Tablet

Route of Administration

Oral

Composition

Each film-coated tablet contains:

- Paracetamol I.P. 500 mg
- Phenylephrine HCl I.P. 5 mg
- Diphenhydramine HCl I.P. 25 mg
- Caffeine I.P. 30 mg
- Excipients q.s.

Indications

Cold Go Plus tablet is helpful in relieving the symptoms of cold such as body ache, headache, fatigue, fever, watery eyes, sneezing, cough, sore throat, runny and stuffy nose.

Storage

Store in a cool, dry & dark place. Protect from direct sunlight.

Precautions

May cause drowsiness due to the antihistamine component; avoid driving or operating machinery until effects are known. Use with caution in patients with hypertension, heart disease, or hyperthyroidism due to the decongestant component. Avoid concurrent use with other paracetamol-containing products to prevent overdose. Not recommended for patients with severe hepatic impairment.

Presentation

50 x 10 tablets
