

Torange Syrup 200ml

Torange syrup is a nutritional supplement that combines ferric ammonium citrate, cyanocobalamin (vitamin B12), and folic acid. This formulation is designed to provide essential nutrients to support overall health, including iron for red blood cell production, vitamin B12 for energy metabolism and neurological function, and folic acid for DNA synthesis and the prevention of certain types of anemia.

Dosage Form

Syrup

Route of Administration

Oral

Composition

Each 15 ml contains:

- Ferric Ammonium Citrate 160 mg
- Eq. to Elemental Iron 32.8 mg
