

Torex Mint Cough Syrup 100ml

Torex-Mint Syrup is a combination of levocetirizine and ambroxol in a mentholated syrup base, offering effective relief in cough and allergy-like symptoms such as runny nose, sneezing, stuffy nose, itching, and watery eyes.

Dosage Form

Syrup

Route of Administration

Oral

Composition

Each 5 ml contains:

- Levocetirizine Dihydrochloride I.P. 5 mg
- Ambroxol hydrochloride I.P. 30 mg
- In a flavoured mentholated syrupy base
- Colour Tartrazine and brilliant blue FCF

Indications

Used in the treatment of cough and associated allergic symptoms such as sneezing, runny nose, watery eyes, itching, swelling, nasal congestion, and throat irritation.

Storage

Store in a cool and dry place. Recap the bottle tightly after use.

Precautions

Use only as directed by the physician. Contraindicated in patients with known hypersensitivity to any ingredient of the formulation. May cause dizziness, drowsiness, blurred vision, dry mouth, constipation, or nausea. Use caution while driving or operating machinery. Do not exceed the recommended dosage. Consult a healthcare professional before use in patients with severe kidney disorders or those taking other medications.

Presentation

100 ml bottle
