

Torques Trucal D3 Tablets

Torques Trucal D3 combines Calcium Carbonate and Vitamin D3 to treat low calcium levels, weak bones, and related muscle and parathyroid conditions.

Dosage Form

Tablet

Route of Administration

Oral

Composition

Each film-coated tablet contains:

- Calcium Carbonate from an Organic source (Oyster Shell), eq. to elemental Calcium 1.25 g / 500 mg
- Vitamin D3 250
- Excipients q.s.

Indications

Used for low calcium levels such as weak bones, decreased parathyroid gland activity, and certain muscle diseases (latent tetany). May also be used to ensure adequate calcium intake in pregnant, nursing, or postmenopausal women, and in patients taking medications such as phenytoin, phenobarbital, or prednisone.

Storage

Store below 25°C in a dry and dark place.

Precautions

Consult a doctor before use if you have high calcium or vitamin D levels (hypercalcaemia or hypervitaminosis D) or difficulty absorbing nutrients from food (malabsorption syndrome). Use with caution in patients with a history of kidney stones.

Presentation

20x15 tablets in a cardboard carton.
